The Crompton Dining Table (concept)

The Crompton Dining Table takes its name from the Crompton Loom Works building in Worcester, MA. Once a traditional manufacturing building, it has been given a new life as modern businesses have come to call it home. Similarly the Crompton Dining Table is a modern take on a classic dining table design. With a floating top and solid White Oak construction, this new spin on a classic design will add the feeling of honored tradition to a modern home.
