The Bancroft Dining Chair

The Bancroft Dining Chair is a celebration of tradition that fits perfectly in any modern space. Each component of the chair is seamlessly blended to flow naturally into one another. The curved floating seat offers comfort while giving a modern touch.

Each Bancroft dining chair is built by hand in Watertown, MA from a single board of locally sourced FCS certified lumber to preserve grain cohesion in each piece.

The Chandler Lounge Chair

The Chandler Lounge Chair is the first product in the Newton Hill Furniture offering and was designed and created with Danish traditions of comfort and simplicity in mind.

The canvas sling seat is offered in 18oz heavy duty cotton duck canvas, or 6-8 oz full grain leather. Both are soft to the touch but will stand up to regular use.

Each Chandler lounge chair is built by hand in Watertown, MA from a single board of locally sourced FCS certified lumber to preserve grain cohesion in each piece.
